

# Join our BT live online career challenge

digdata®

## Gain FREE virtual work experience

The Digdata programme has been created to **inspire students** of all year groups across all subject areas on the breadth of career opportunities available in the world of data by providing **virtual work experience** opportunities with leading brands across the UK.

We are excited to announce our live online career challenge with BT.

Whether you're studying maths or music, business or biology, a career in data could be for you.

Don't have much or any work experience on your CV? This is the perfect opportunity to get some and be awarded certification.

### What's involved?

1

Register and attend the 40-minute briefing session

2

Students work on the challenge in their own time

3

Students receive recorded industry assessment

4

Students receive certification

### When are the live online career challenges?

**STEP UP**
