

Join our Experian live online career panel Discover more about their career opportunities in data

Step Up Newsletter

Join Experian to find out more about the breadth of data roles available

Experian offer Graduate and Industrial Placement programmes as well as apprenticeships. They also have roles available in a whole variety of disciplines; from Data Analysts to Project Managers, Product Designers and Software Engineers, there's something for everyone!

Within their early careers programmes, they don't require you to have any previous industry experience or knowledge; they are looking for people with passion and enthusiasm for their company and opportunities!
