The Digdata programme has been created to **inspire students** of all year groups across all subject areas on the breadth of career opportunities available in the world of data by providing **virtual work experience** opportunities with leading brands across the UK.

We are excited to announce our live online career challenge with GSK.

Whether you're studying maths or music, business or biology, a career in data could be for you.

Don't have much or any work experience on your CV? This is the perfect opportunity to get some and be awarded certification.

What's involved?

1

Register and attend the 45-minute briefing session

2

Students work on the challenge in their own time

3

Students receive recorded industry assessment

4

Students receive certification

Register now to meet the GSK team, solve a **real business problem** and receive a **virtual work experience** certificate.
