

# Join our GSK live online career panel

## Discover more about their career opportunities in data

### Join GSK to find out more about the breadth of data roles available

GSK offer graduate and industrial placement programmes as well as apprenticeships. They also have roles available in a whole variety of disciplines; from Data Analyst, Risk Analyst to Data Scientist, there's something for everyone!

Within their Early Careers programmes, they don't require you to have any previous industry experience or knowledge; they are looking for people with passion and enthusiasm for their company and opportunities!
