Calling all University and Higher Education students!

Are you looking for an impactful 'year in industry' as part of your undergraduate degree or integrated (undergraduate) masters or starting to consider permanent roles after graduation?

Join GSK to find out more about their live industrial placement and graduate career opportunities in data science and analytics on Thursday 5th October at 6:30pm.

These opportunities will commence in the summer of 2024. Applications will close on the 13th October 2023.

Their Data Science and Analytics teams are helping to transform what they do and how they do it at GSK.
