Discover more about their career opportunities in data

Join ITV to find out more about the breadth of data roles available

ITV offer graduate and industrial placement programmes as well as apprenticeships. They also have roles available in a whole variety of disciplines; from Data Analyst, Risk Analyst to Data Scientist, there's something for everyone!

Within their Early Careers programmes, they don't require you to have any previous industry experience or knowledge; they are looking for people with passion and enthusiasm for their company and opportunities!
